National Cyber Security
Awareness Month

National CYBERSECURITY

AWARENESS MONTH

BDPA, New York
presents

Online Identity Theft Workshops

What is National Cyber Security Awareness Month 2011?
Cyber security is our shared responsibility. That means everyone has the potential to make a difference and educate others. You can raise awareness within your community, no matter what your role is

OUR SHARED RESPONSIBILITY GET INVOLVED!!

Learn about:

- The financial and reputational risks
- How you can be taken advantage of
- The right precautions to minimize the risk of becoming a victim
