October 29, 2024

To Whom it May Concern:

I am writing this letter on behalf of Lenox Hill Neighborhood House to enthusiastically support GrowNYC's extraordinary work providing healthy food to the community. We strongly support their continued work in our community and their operating permit application.

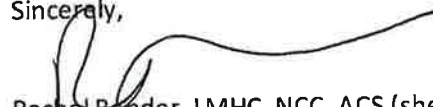

Lenox Hill Neighborhood House and GrowNYC have been partners for numerous years in our healthy food initiatives allowing for GrowNYC to connect local farms and produce with our community members. Lenox Hill Neighborhood House, widely recognized as one of New York's premier non-profit organizations, is a 130-year-old settlement house that provides an extensive array of effective and integrated human services and supports over 15,000 people in need annually.

Through our partnership with GrowNYC we distributed hundreds of thousands of pounds of locally grown fresh fruit, vegetables, eggs, bread, sweeteners, sauces, flours, beans and more. GrowNYC Farmstands are part of a network of food access retail sites operated by GrowNYC, along with Greenmarkets. Through Farmstands, GrowNYC sells fresh, affordable food in underserved and under-resourced neighborhoods across NYC. The food sold at Farmstands is grown by farmers in the Northeast and transparently sourced through GrowNYC Wholesale.

We greatly value our continued partnership and are pleased to support GrowNYC's request to continue to provide participants with the most affordable, high quality food options in New York City. We feel it would be beneficial for our Older Adult Members and the surrounding community to have GrowNYC operate its Farmstand outside our building at 70th Street and 1st Avenue during the upcoming season.

If I can provide any additional details, please do not hesitate to reach out to me directly at 212-218-0482 or at rbender@lenoxhill.org.
