LM-1: Item 1

LM-2: Item 2

LM-3: Item 3 Disapproval (Failed)

LM-4: Item 3 Substitute Approval

LM-5: Item 4 Substitute Approval

Item 1: **1014 Fifth Avenue (Metropolitan Museum Historic District)** – *KARO Architects LLP* – A Beaux-Arts town house designed by Welch, Smith, & Provot and constructed in 1906-1907, with renovation and extension by Trowbridge & Livingston in 1926. Post Approval Amendment application is for the modification of the proposed extension walls ('wing walls') on the new fifth floor roof terrace in the rear of the building to allow for more light and air and to improve the views for the neighbors.

WHEREAS 1014 Fifth Avenue is a Beaux Arts townhouse whose contemporary design for the rear of the building has been submitted for a Post Approval Amendment application; and

WHEREAS the approved roof terrace at the rear of the building is designed with wing walls and a dense pergola roof; and

WHEREAS the terrace is 22'-6" wide by 29'-0" long; and

WHEREAS the applicant seeks to frame the opening to the east to create a surround with a header; and

WHEREAS the reduced opening will be 15'-6" wide, similar in character to the existing punched openings; and

WHEREAS the applicant will introduce punched 6'-10" wide openings in the north and south walls; and

WHEREAS the applicant will replace the existing pergola roof with a less dense pergola; and

WHEREAS the applicant will create an outdoor room protected from the weather; and

WHEREAS the applicant will create framed views more in character with the existing openings in the north, south, and east elevations; and

WHEREAS the modifications to the existing fabric maintain the architectural vocabulary of the approved alteration; and

WHEREAS the Post Approval Amendment is contextual and appropriate within the historic district;

THEREFORE, BE IT RESOLVED that this application is APPROVED AS PRESENTED.

Community Board 8 Manhattan unanimously approved this resolution by a vote of 42 in favor, 0 opposed, 0 abstentions, and 0 not voting for cause.

Item 2: **156 East 71st Street (Upper East Side Historic District)** – *Daniel Kaplan* – An Italianate style building designed by W. O’Gorman and constructed in 1871. Application is for interior renovation, rooftop addition, small rear addition with a terrace above, renovation of front areaway, and the addition of stairs to the sidewalk.

WHEREAS 156 East 71st Street is a house located on the south side of East 71st Street on a block with tall buildings on Lexington and Third Avenues and four and five-story rowhouses between; and

WHEREAS the applicant proposes to largely restore the street façade, which is brownstone-colored stucco with brownstone window and door trim; and

WHEREAS the applicant further proposes to modify the existing areaway at the street side of the building to improve the entry sequence while remaining within the property line; and

WHEREAS the applicant further proposes to build a rooftop addition, replace all windows with aluminum-clad wood units, replace exterior light fixtures, and modify the rear façade; and

WHEREAS the applicant’s proposal for the rooftop addition will not be visible from any point in the public way and will feature a steel window and door system that will measure 14’-3” in width and will be 7’-2” tall; and

WHEREAS the rooftop addition will be 9’-9” tall with a stair bulkhead above for roof access, set back from the street wall 6’-11”, and set back 3’-0” from the existing rear facade; and

WHEREAS the applicant proposes to enlarge the ground (basement) floor by 7’-5”; and

WHEREAS the windows openings at the rear façade of the first floor of the building will be combined and the resulting opening will be glazed with a steel window/door combination measuring 14’-0” in width and approx. 9’-0” in height; and

WHEREAS some members of the Committee felt that the rooftop addition was too large and that the windows in the rear would contribute to light pollution in the “donut” of the block, these concerns were not felt to be a disqualifying;

THEREFORE, BE IT RESOLVED that this application is **APPROVED AS PRESENTED**.

Community Board 8 Manhattan unanimously approved this resolution by a vote of 42 in favor, 0 opposed, 0 abstentions, and 0 not voting for cause.

Item 3: **54 East 66th Street (Upper East Side Historic District)** – *Stephen Conte, StudiosC Architecture* – A Neo-Grec style building designed by J.H. Valentine and constructed in 1877-78. Application is for the conversion of a multifamily townhouse to a single townhouse, stairs and elevator bulkhead addition at the roof, addition to existing extension at the rear yard, new wall and window openings at the rear yard, and leveling of the roof.

A motion to disapprove this application failed by a vote of 18 in favor, 22 opposed, 0 abstentions, and 0 not voting for cause.

A substitute motion to approve this application was introduced.

WHEREAS the applicant is converting this 20-foot-wide multifamily townhouse to a single-family townhouse; and

WHEREAS the Neo-Grec front façade will remain unchanged; and

WHEREAS the façade on the rear of the building will be removed; and

WHEREAS the existing rear extension on 54 East 66th Street will be raised to match the extension on 56 East 66th Street; and

WHEREAS the wall will be rebuilt to match the height of the fourth floor of 56 East 66th Street; and

WHEREAS a new brick façade will be built on 54 East 66th Street to match brick façade on 56 East 66th Street; and

WHEREAS new windows will be installed at 54 East 66th Street to match the windows at 56 East 66th Street; and

WHEREAS the cornice and top line of windows at 54 East 66th Street will be aligned with the cornice and top line of windows at 56 East 66th Street; and

WHEREAS the color of the new brick at 54 East 66th Street will match the color of the brick at 56 East 66th Street to achieve continuity; and

WHEREAS the fourth floor, which remains setback, will have brick to match the brick below; and

WHEREAS the windows on the fourth floor will be replaced with a center door and windows either side; and

WHEREAS the fourth floor will have a sloped upper roof with a batten-seam aluminum roof system; and

WHEREAS the new stair and elevator bulkhead will be made of brick to match the new brick of the rear façade; and

WHEREAS the new bulkhead will have a glass vestibule; and

WHEREAS the new brick will be red with light gray mortar; and

WHEREAS window mullions, copings, and rails at the rear setback at the top of the third floor and at the edge of the roof of the fourth floor will be brown coated aluminum; and

WHEREAS the sloped roof on the fourth floor will be brown coated aluminum; and

WHEREAS mechanical equipment on the rear roof will have wood screening; and

WHEREAS the bulkhead is not visible from directly across the street; and

WHEREAS the enlargement of 54 East 66th Street will align its rear façade with the rear façade of 56 East 66th Street; and

WHEREAS the massing, materials, and scale of 54 East 66th will match the massing, materials, and scale of 56 East 66th Street; and

WHEREAS the proposed enlargement of 54 East 66th Street is contextual and appropriate within the historic district;

THEREFORE, BE IT RESOLVED that this application is **APPROVED AS PRESENTED**.

Community Board 8 Manhattan approved this resolution by a vote of 22 in favor, 18 opposed, 0 abstentions, and 0 not voting for cause.

Item 4: **640 Park Avenue (Upper East Side Historic District)** – *Matthew Viederman Architect* – A Neo-Italian Renaissance style building designed by James E.R. Carpenter and constructed in 1914. Application is for a window replacement on the top floor.

A substitute motion to approve this application was introduced.

WHEREAS 640 Park Avenue is a COOP apartment house located on the northwest corner of 66th Street and Park Avenue; and

WHEREAS each floor of 640 Park Avenue contains a single apartment; and

WHEREAS the shadows from the building cornice and deep-set fenestration, coupled with the distance from the street and the string course separating the 14th floor from the lower portion of the building, further reduce the visibility of the proposed windows; and

WHEREAS 640 Park Avenue has no Window Replacement Master Plan, and several different window types are presently installed in the building; and

WHEREAS the Consul General of Switzerland has occupied the 14th floor of 640 Park Avenue for many years; and

WHEREAS the applicant proposes, as part of a general renovation to the 14th floor, to replace all the existing, obviously non-original aluminum double-hung windows with new metal-clad tilt-turn wood windows that will imitate the appearance of double-hung units; and

WHEREAS the proposed triple-glazed windows will have a fixed upper sash and operable lower sash and will be much more energy efficient than the existing windows; and

WHEREAS the fenestration is set back from the surface plane of the building; and

WHEREAS the “meeting rail” and side stiles of the windows will be larger (by approximately 50%) than the existing aluminum windows; and

WHEREAS several Committee members expressed concern that the wood members of the proposed windows were out of character with the building and that the tilt-turn operating mechanism was inappropriate although the apartment is some 150 feet above the street; and

WHEREAS the Committee urges 640 Park Avenue to adopt a window replacement plan, the absence of which contributed to the unease over introducing the proposed window type to the building;

THEREFORE, BE IT RESOLVED that this application is **APPROVED AS PRESENTED**.

Community Board 8 Manhattan approved this resolution by a vote of 29 in favor, 11 opposed, 0 abstentions, and 0 not voting for cause.

B. Transportation Committee – Charles Warren and Craig Lader, Co-Chairs

TR-1: Item 1

TR-2: Item 2

Item 1: Proposed Link5G without Ad Screen at 1150 Madison Avenue

WHEREAS; the NYC Office of Technology and Innovation is proposing a new Link 5G kiosk without a screen near the southwest corner of East 86th Street and Madison Avenue in front of 1150 Madison Avenue; and

WHEREAS; NYC OTI did not provide any justification of the need for a Link 5G kiosk at this location, and the area in which the Link 5G would serve is already well-served by existing 5G cellular service; and

WHEREAS; there would be negative impacts to pedestrians at this location if a Link 5G kiosk were to be installed; and

WHEREAS; the proposed Link 5G kiosk location is within the area of potential effect of multiple historic districts, and would alter viewsheds in an adverse manner and thus should be subject to Section 106 reviews; and

WHEREAS; Community Board 8 Manhattan passed still-pertinent a resolution in January 2023 calling for a moratorium on construction and planning of Link 5G poles and devices in the District;

THEREFORE, BE IT RESOLVED, that Community Board 8 Manhattan **disapproves** NYCOTI’s Link 5G Kiosk proposed for installation adjacent to 1150 Madison Avenue near the corner of East 86th Street and Madison Avenue.

Community Board 8 Manhattan unanimously approved this resolution by a vote of 41 in favor, 0 opposed, 0 abstentions, and 0 not voting for cause.

Item 2: Speed Limit Reduction on 66th Street between First and York Avenues

WHEREAS; the New York City Department of Transportation is proposing a speed limit reduction from 25 MPH to 15 MPH on East 66th Street between York Avenue and First Avenue; and

WHEREAS; this location is the first speed limit reduction proposed under “Sammy’s Law” in Community District 8, and is intended to improve safety on the block where PS 183 – Robert L. Stevenson is located; and

WHEREAS; speed limits under Sammy’s law by schools can be reduced to as low as 15MPH, as it proposed at this location; and

WHEREAS; there is a history of crashes since 2015 on this block that have resulted in pedestrian injuries; and

WHEREAS; there is a strong correlation between higher vehicular speeds and the severity of injuries and fatalities of pedestrians hit by vehicles; and

WHEREAS; additional traffic calming measures can further enhance safety and promote slower speeds;

THEREFORE, BE IT RESOLVED, that Community Board 8 Manhattan supports the NYCDOT proposal to reduce the speed limit as a school street under Sammy’s Law from 25 MPH to 15MPH on East 66th Street between York Avenue and First Avenue;

BE IT FURTHER RESOLVED, that Community Board 8 Manhattan requests additional traffic calming measure be implemented along this block to further ensure that vehicles adhere to the proposed 15 MPH speed limit.

Community Board 8 Manhattan unanimously approved this resolution by a vote of 41 in favor, 0 opposed, 0 abstentions, and 0 not voting for cause.

C. Parks and Waterfront Committee – Felice Farber and Judy Schneider, Co-Chairs

PW-1: Item 2

Item 2: **Senior Parks Feasibility Study**

WHEREAS Community District 8 has the second highest number of residents in New York City aged 65 and over; and

WHEREAS 21 percent of residents of District 8 are 65 and over compared to a citywide average of 14 percent; and

WHEREAS many seniors feel isolated and lack amenities to help them stay active and healthy; and

WHEREAS parks and open spaces are vital for the health and well-being of residents; and

WHEREAS cities such as Berlin, London, and Tokyo have created dedicated senior playgrounds; and

WHEREAS public space for seniors to congregate and exercise can have significant health benefits for our aging population; and

WHEREAS parks and public spaces in our district are mostly located on the east side of the district and not in the core

THEREFORE BE IT RESOLVED, CB8 requests the New York City Department of Parks and Recreation to study the feasibility of establishing parks in Community District 8 that are dedicated to the health and well-being of our senior residents in the CORE of our district.

Community Board 8 Manhattan unanimously approved this resolution by a vote of 41 in favor, 0 opposed, 0 abstentions, and 0 not voting for cause.
