

**Department of  
Education**

We are pleased to announce that we are **extending** the public school pre-k application deadline to **Wednesday, April 23, 2014** in order to accommodate expected program expansion. The deadline extension gives families more time to learn about all of their options before submitting an application. Families will be notified as soon as additional program options have been finalized, and will be able to adjust their applications accordingly. [Read Chancellor Carmen Fariña's press release](#) about the pre-k program expansion efforts.

Visit the Department of Education's [pre-k website](#) to obtain more information about admissions, to submit an [online application](#), download the [Pre-K Directory](#) and other [resources](#) in multiple languages, and to learn about upcoming [Parent Information Sessions](#).

Email [ES\\_Enrollment@schools.nyc.gov](mailto:ES_Enrollment@schools.nyc.gov) with any questions about Pre-K Admissions.

We look forward to helping you through this exciting process!
