**The City of New York
Manhattan Community Board 8**

**You are receiving this notification as part of
MTA Capital Construction's continuing effort
to keep the community apprised of construction
activity on the Second Avenue Subway project.**

Monday, March 23,- Saturday, March 28, 2015

Please be advised that MTA contractors working in support of the Second Avenue Subway (SAS) project will close the following street(s) weekdays, as needed, **between the hours of 7:00 a.m. -10:00 p.m. and Saturday, 10 a.m. - 7 p.m.:**

- **East 93rd Street between First and Second Avenues**
- **East 94th Street between First and Second Avenues**

This work is to complete utility installations and will last approximately one week at 93rd Street and two weeks at 94th Street.

A flag person will be posted at the affected avenue entrances to allow access to the roadway for local residents and businesses only.

Please note that the scope and nature of construction activities are subject to change based upon field and weather conditions. All work has been approved by the appropriate city agencies, where required.
