Touchscreen tablet interface

LinkNYC

A man with dark hair, wearing a dark jacket with a blue hood and earbuds, is using a public phone booth. He is looking at a smartphone screen that displays a dial pad interface. The screen shows the word "Address" at the top, followed by a grid of numbers 2 through 9, 0, and #, each with a small label below it (e.g., "2 ABC", "3 DEF"). A red call button is at the bottom. Below the screen is a physical keypad with a red emergency button labeled "911" and an "AUDIO" section with a headset icon. The background is blurred, showing a yellow taxi and a building.
