ADA-Accessible Facility 

We want to hear from you.

You are invited to attend an MTA public workshop regarding the construction of the Second Avenue Subway.

The goal of this workshop is to maintain an open dialogue between the MTA and the community at large. Specifically, attendees will have the opportunity to engage project representatives about current construction activity and the initiatives implemented by the MTA as a direct response to community input from the previous SAS public workshops.

MTA employees and contractors will attend the workshop to facilitate discussion and answer questions.

Reservations are required.

Capacity is limited to 200 people.

Photo ID is required for entry.

Reserve your seat online at <http://www.mta.info/sas>
or by telephone at **(646) 564-5866**.
