Inspector Whelan,

Con Edison will be installing a gas service to 300 E 85 St, unfortunately the 2 Ave Subway contractors have one lane closed with a storage area, our gas main is in the only lane open to traffic. To perform our work we will have to close E 85 St between 1 Ave and 2 Ave.

The street will be closed for five days, starting Monday, August 8, 2011 and be complete on Friday, August, 12 2011, the work hours are 9am to 4 pm.

Con Edison has applied for and received permits to do this work and will comply with the stipulations assigned, including posting signs, notifying property owners and assigning flag-persons.

Please contact me at (212) 894-9405 if you have any questions.

Sincerely,

A handwritten signature in black ink that reads 'Michael Brennan'.
