FDR Drive

E.80th Street to E.90th Streets

(Northbound)

Manhattan

Community Board No. 8

August 2011

On Monday, August 8th the New York City Department of Transportation Division of Bridges will perform ventilation system maintenance in the FDR Drive tunnel between E.80th and E. 90th Streets. Work will begin at 11:00 p.m. and continue until 5:00 a.m. the next morning. To accommodate this work, traffic lane closures are necessary. Please note that one lane adjacent to the work lane must also be closed for worker protection. As this operation is weather sensitive, rain dates are August 9th or 10th or 11th.
