

# COMMUNITY ADVISORY NOTICE

## RECONSTRUCTION OF TRUNK WATER MAINS ALONG EAST 59<sup>TH</sup> STREET PROJECT # MED600

Borough: Manhattan

August 5, 2011

---

# WATER SERVICE INTERRUPTION

SATURDAY, AUGUST 6, 2011 FROM 8:00 AM UNTIL 3:30 PM  
AT THE FOLLOWING LOCATION:

- EAST SIDE OF 1<sup>ST</sup> AVENUE BETWEEN EAST 57<sup>TH</sup> ST. AND EAST 59<sup>TH</sup> ST.

### WHY IS MY WATER BEING TURNED OFF?

In order for the existing water main to be replaced, the water must be shut off, old pipe withdrawn and new pipe installed. This work may be completed sooner and water will be turned back on at that time.

### SOME THINGS TO REMEMBER:

- DDC recommends that a qualified person shut off the water main “house” valve in your house/building in order to avoid sediment entering your building’s system, which is common with this type of operation.
- You are asked to shut off all WATER cooled appliances which may include air conditioners, etc.
- Once water service is restored, turn the main house valve back on and flush the system by running your faucets to sinks and tubs for a few minutes.

### WHO CAN I CONTACT FOR MORE INFORMATION?

- Please contact Sarah Wilmoth, the Community Construction Liaison (CCL) at (212) 223.6190 or email [east59thccl@gmail.com](mailto:east59thccl@gmail.com)
- Visit the NYCDDC website at [www.nyc.gov/buildnyc](http://www.nyc.gov/buildnyc) or watch our video at [www.youtube.com/newyorkcityddc](http://www.youtube.com/newyorkcityddc)
- During non-construction hours, please contact the New York City Government Services and Information Hotline at 311.

We appreciate your cooperation and thank you for your patience while we rebuild Manhattan’s infrastructure.
