

To comply with the Department of Buildings (DOB) Local Law 11, Con Edison will make repairs to the eastern façade of the East 74th Street Station beginning next week. These repairs require temporary closures of two southbound lanes on the FDR Drive. This work will be performed on the night shift from **April 28th** through **May 1st**. During this time, Con Edison crews will minimize lane closures as much as possible.

DOT permit stipulations allow lane closures as follows:

One southbound lane

Monday - Friday, 11pm-5:30am

Sunday morning, 1am -11am

Two southbound lanes

Monday - Friday, 1am-5am

Sunday morning, 2am-7am
