

From the Metropolitan Transportation Authority,
Capital Construction
Notice of Extended Work Hours

Please be advised that, due to critical Gas Main tie-in work at 87th Street and 2nd Avenue, our contractor, JDSI, together with Con Edison's gas crews, will be working two 24 hours shifts beginning on Tuesday, September 14th at 7AM, and continuing until Thursday September 16th. All work will take place within existing work zones and all streets will remain open. It is necessary that this work takes place now, before October's heating season begins.

Please contact Claudia Wilson with any questions regarding this work:
