

Important Notice

FDR Drive *between* East 81st Street and East 103rd Street

Manhattan

Community Boards No.'s 8 and 11

March 2011

During the early morning hours of Sunday, March 20th, the New York City Department of Transportation Division of Bridges will close northbound and southbound lanes on the FDR Drive between East 81st and East 103rd Streets for a regularly scheduled inspection of the under decks of the pedestrian bridges at these locations. Please note that one traffic lane adjacent to the center lane must be closed to protect personnel working in the center lane. The schedule of closures follows:

Lane Closures- Northbound and Southbound FDR

Right or left lane: 1:00 a.m. to 11:00 a.m.

Right or left and center lane: 2:00 a.m. to 7:00 a.m.

Sunday, March 20th

One lane of traffic will remain open at all times in each direction

Director of Community Affairs Fred Herschkowitz is available to provide information about this project at **212-839-6307** or fherschkowitz@dot.nyc.gov. For all NYC non-emergency services, including inquiries regarding NYCDOT construction projects, dial 311. Be prepared to give your name, the borough of the project, and a return phone number.

your city. your needs. your number.
