

The New York Metropolitan Transportation Council (NYMTC) is hosting public meeting to obtain input from the public for the development of the Coordinated Plan. The Coordinated Plan will identify transportation challenges for people with disabilities and older adults, as well as layout strategies to meet those challenges. The Mobility Management Program is assisting NYMTC with outreach for the workshops. Kindly assist us in distributing this information to the community.

The workshop in Manhattan will take place on Wednesday, November 2<sup>nd</sup> from 2-4pm at the NYU Kimmel Center, Room 802 (60 Washington Square South, NY, NY 10012).

For more information about the Coordinated Plan you can visit the NYMTC website: <https://www.nymtc.org/Required-Planning-Products/Regional-Transportation-Plan-RTP/CPT-HSP>.
