

Lenox Hill Hospital Pulmonary Hypertension Support Group

Would you like to learn more about pulmonary hypertension?

Lenox Hill Hospital invites members of the community, patients, caregivers, family members and friends to join our free Pulmonary Hypertension Support Group. The group will meet quarterly, and will give attendees the opportunity to gain a deeper understanding of living with pulmonary hypertension by learning about the latest treatment and care options. Each meeting will feature an expert guest speaker, followed by a Q&A session.

All are welcome and encouraged to attend.
Light refreshments will be provided.

First Meeting:

Wednesday
November 9, 2016
6:00pm – 8:00pm

Where:

Carmel Conference Room
130 E. 77th Street
1st Floor Achilles
