4. **Update by Cornell/NYC Tech on Central Utilities Plant and final design approval of First Academic Building located on Roosevelt Island**

Re: Central Utilities Plant

WHEREAS Cornell/NYC Tech will be asking the city’s Public Design Commission for approval of the design of the Central Utilities Plant (CUP), and

WHEREAS in a resolution adopted by Manhattan Community Board 8 on January 15, 2014 concern was expressed that the dark color of the façade across the street from the dark façade of the existing Sports Park building would create the feel of a dark corridor, and

WHEREAS in that same resolution the Community Board noted that the dark façade is in contrast with the other facades on the campus, and

WHEREAS in that same resolution the Community Board stated that there is concern that service to the CUP be done totally off-street, and

WHEREAS at the Full Board Land Use Committee Meeting on February 12, 2014 Cornell presented revised plans for the façade of the building and stated that all servicing of the building will be off-street

BE IT RESOLVED that Community Board 8 approves the revised design with lighter color and constructed of stainless steel, and

BE IT FURTHER RESOLVED that Community Board 8 applauds Cornell /NYC Tech solution assuring that all service access to the building is off street, except for when major components of the plant need to be replaced.

Community Board 8M voted to approve the resolution by a vote of 31 in favor, 0 opposed, 0 abstentions, and 0 not voting for cause.

Re: First Academic Building

WHEREAS Cornell/NYC Tech will be asking the city's Public Design Commission for approval of the design of the First Academic Building; and

WHEREAS the building provides considerable publicly accessible space at the ground floor; and

WHEREAS the building's design complements the design of the opposite Co-Location building; and

WHEREAS concern was expressed about the removal of existing trees along the site's perimeter; and

WHEREAS concern was expressed about the building's compliance with ADA standards, especially for those with hearing disabilities; therefore

BE IT RESOLVED that Community Board approves the design of the First Academic Building subject to the following conditions:

1. That Cornell reexamines its landscaping plan as it relates to the existing trees along the site's perimeter.
2. That the First Academic Building be developed with Universal Design, especially with looping for the hearing impaired

Community Board 8M voted to approve the resolution by a vote of 24 in favor, 3 opposed, 4 abstentions, and 0 not voting for cause.
