Manhattan Borough President Gale A. Brewer will partner with the NYC Department of Finance to provide an informative session and an opportunity to complete and submit SCRIE and DRIE initial applications and renewal applications to DOF. Due to the recent changes in law which affect the SCRIE and DRIE program, many more seniors and people with disabilities are now eligible to have their rent frozen. The purpose of the clinic is to educate and assist the residents of the new policy changes and application process. The household income cap for New York City's Senior Citizen Rent Increase Exemption (SCRIE) and Disability Rent Increase Exemption (DRIE) programs has been raised to \$50,000 (including certain deductions). In addition, the program has undergone a name change and is now referred to as the NYC Rent Freeze program. An opportunity will also be provided for questions and answers.
