**6:30PM**

### **Minutes**

Representatives from the Rodent Control Academy of the New York City Department of Health and Mental Hygiene gave a presentation on their free pest control training services.

They also have a pilot program in our area, which is limited.

Members of some buildings were present & they expressed interest in having the full presentation to building managers, which they will co-ordinate with the Rodent Control personnel.

The full presentation is available on our web-site for all to see.

**Abraham Salcedo and Cos Spagnoletti, Co-Chairs**  
**Environment and Sanitation Committee**
