Lenox Hill Hospital
Free Gynecologic Screenings

Lenox Hill Hospital is offering **free** gynecologic screenings to our community. We are offering exams to uninsured women over the age of 18. If you are due to see a gynecologist, our team will be available to provide a comprehensive pap test, breast exam, and pelvic exam.

Free gynecologic screenings details:

When: Saturday, July 15, 2017 and Saturday, July 29, 2017 | 10am – 2pm

Where: Radiation Oncology, 130 E. 77th Street, First Floor, Lenox Hill Hospital.

Lenox Hill Hospital has received a grant to conduct complimentary gynecologic exams. This grant was awarded by the Katz Institution of **Women's Health Innovation Grants Program** in 2016 under the Community Award category.

For more information, please contact Allison Asante at 212-434-3770.
