The City of New York
Manhattan Community Board 8

April 3, 2018

Samir Saini, Commissioner
Department of Information Technology and Telecommunications
2 Metro Tech Center, 5th Floor
Brooklyn, New York, 11201

RE: Continued Discussion of proposed locations for LINKNYC Kiosks within CB8 *(Requested by NYC DoITT)*

Dear Commissioner Saini:

At the Community Board 8 Manhattan Full Board meeting held on March 26th, 2018, the board passed the following resolution of **disapproval** by a unanimous vote of 32 in favor, 0 opposed, 0 abstentions and 0 not voting for cause:

WHEREAS CB8 has requested, and continues to request, that DoITT provide detailed corridor-wide siting plans for future LinkNYC kiosks; and
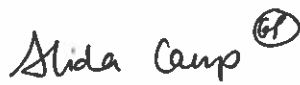

WHEREAS CB8 still does not support consideration of any new kiosks until such plans are received; and
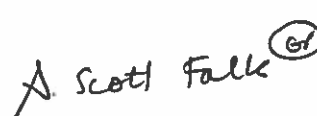

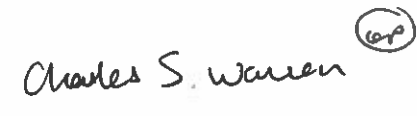

WHEREAS the list of proposed locations and accompanying siting diagrams have not provided enough information to confirm that distance between kiosks;

BE IT RESOLVED that Community Board 8 **DISAPPROVES** all proposed LinkNYC sites presented for consideration (including the list of kiosks from DoITT's January 2018 email) that are less than 170 feet in radius from any other existing or planned Links.

Please advise this office of any action taken regarding this matter.

Sincerely,

Alida Camp
