

June 6, 2018

Mr. Will Brightbill  
District Manager  
Community Board# 8  
505 Park Avenue, Suite 620  
New York, N.Y. 10022

Dear Mr. Brightbill:

This is in reply to your April 25, 2018 correspondence on behalf of The Endoscopy Center of New York, approving the installation of a "No Standing 7am to 6pm" restriction at 201 East 93<sup>rd</sup> Street.

The Manhattan Borough Engineer's Office recently completed a field investigation at this location. As a result, we issued a work order to install a "No Standing Monday-Friday 7am-6pm" regulation at 201 East 93<sup>rd</sup> Street. This order was submitted to our sign maintenance unit and they will schedule this work accordingly.

Thank you for your interest in traffic safety.

Sincerely,

A handwritten signature in black ink, appearing to read "Luis Sanchez".

Luis H Sanchez, PE  
Manhattan Borough Commissioner
