C. Landmarks Committee - David Helpern and Jane Parshall, Co-Chairs

LM-1: 870 Madison Avenue (between East 70th and East 71st Streets)

LM-2: 50 East 69th Street (between Park and Madison Avenues)

LM-1: 870 Madison Avenue (between East 70th and East 71st Streets) - Upper East Side Historic District *Panorama Windows, Ltd.* - Neo-Italian Renaissance style residence designed by Albert Joseph Bodker and constructed in 1910-1911. Application is to replace windows

WHEREAS 870 Madison Avenue is a five story Neo-Italian Renaissance building;

WHEREAS the wood multi-pane windows that remain are in poor condition;

WHEREAS the building has commercial use on the first and second floors and residential use on the third, fourth and fifth floors;

WHEREAS the existing metal storefront facing Madison Avenue on the first and second floors replaced the original wood windows;

WHEREAS the applicant seeks to replace the wood windows on the third through fifth floors facing Madison Avenue and the wood windows on the second through fifth floors on the north and south elevations;

WHEREAS the windows will be replaced in kind functionally and operationally including the windows in arched openings;

WHEREAS the windows will be multi-pane insulated glass windows with the same number of divisions in each window;

WHEREAS the divisions will be made with dividers set within the two panes of insulated glass;

WHEREAS the aluminum frames and mullions will be similar in profile to the original wood windows;

WHEREAS the aluminum windows are not appropriate replacements for wood windows in the context of this relatively small building;

THEREFORE BE IT RESOLVED this application is **APPROVED** as presented.

Community Board 8 Manhattan Full Board approved this resolution by a vote of 30 in favor, 10 opposed, 1 abstentions and 0 not voting for cause

LM-2: 50 East 69th Street (between Park and Madison Avenues) - Upper East Side Historic District *Julie Hausch-Fen, Architect* - Neo-French style residence designed by Henry C. Pelton and constructed in 1917-1918. Application is for facade and roof work

WHEREAS 50 East 69th Street is a 44-foot-wide, two lot, townhouse, set in two zoning districts;

WHEREAS the mechanical equipment on the roof is almost on center with respect to the 69th Street façade;

WHEREAS this mechanical equipment is set back from the face of the building but still visible from the Street;

WHEREAS there is zoning area available on the eastern half of the building;

WHEREAS the applicant proposed to shift the bulk of the mechanical equipment to the eastern half of the roof and replace it with a penthouse solarium that is light and elegant in contrast to the limestone façade below;

WHEREAS the mechanical equipment is moved to the high roof at the rear of the building;

WHEREAS the penthouse is set back from the face of the building but, based on the mock-up, slightly visible from Madison Avenue, from across 69th Street; and from Park Avenue;

WHEREAS the architects committed to moving the face of the penthouse further back from the front face of the building, an additional 14 to 18 inches, to eliminate the view of the penthouse from Madison Avenue and from across 69th Street – leaving only a small area visible from across Park Avenue;

WHEREAS there was a concern about the amount of light that might radiate at night from the solarium, there was also an expectation that the owners will use a method of light control that will preclude disturbing their neighbors;

WHEREAS the fireplace flues will be re-routed diagonally within the building so that they are to the rear of the penthouse;

WHEREAS the flues that are currently next to the penthouse do not have to be raised because they will be relocated;

WHEREAS the existing railing black metal railing close to the edge of the roof at the front façade will be refurbished and repainted;

WHEREAS the skylight on the roof, which is not visible, will be replaced with a new skylight that will not be visible;

WHEREAS the mechanical equipment on the high roof in the rear will be screened by horizontal louvers that extend 7'-0" above the parapet;

WHEREAS acoustically absorbent material will be set behind the louvers to minimize the noise from the mechanical equipment;

WHEREAS the limestone façade is in generally good condition but will be repaired with limestone to match the existing limestone wherever there is deterioration;

WHEREAS the wood multi-pane windows on the front façade will be replaced in kind with new, insulated glass windows with solid mahogany frames and mullions;

WHEREAS the pair of decorative metal entrance doors will be refurbished;

WHEREAS the secondary door at the westerly edge will be replaced;

WHEREAS the wood and metal will have dark finishes;

WHEREAS the work on the roof and the façade is appropriate and contextual within the historic district;

THEREFORE BE IT RESOLVED, this application is **APPROVED** as presented.

Community Board 8 Manhattan Full Board unanimously approved this resolution by a vote of 41 in favor, 0 opposed, 0 abstentions and 0 not voting for cause

9. Old Business – No old business was discussed

10. New Business – Two items of new business were brought up.

Tricia and Barry introduced a resolution calling on RIOC to turn the water back on for the Cat Sanctuary on Roosevelt Island.

RE: Water Supply for Roosevelt Island Cat Sanctuary

WHEREAS the Wildlife Freedom Foundation (WFF), a non-profit 501 (C) 3 corporation that protects, preserves, and rehabilitates wildlife in New York City, including several Cat Sanctuaries on Roosevelt Island; and

WHEREAS WFF has operated a Cat Sanctuary in South Point Park on Roosevelt Island for almost a decade and has become a beloved entity in the community; and

WHEREAS the Roosevelt Island Operating Corporation (RIOC), the provider of water to the WFF Cat Sanctuary, cut off the water supply to the Sanctuary almost a month ago for reasons that are unclear; and

WHEREAS the current challenge to get water to the site has stressed the seniors and children who volunteer at the Sanctuary and made it difficult for them to aid the WFF folks at the Cat Sanctuary in South Point Park on Roosevelt Island; therefore

BE IT RESOLVED that Manhattan Community Board 8 respectfully requests that RIOC immediately restore the water supply to the Cat Sanctuary and work toward a permanent solution to the water supply problem at the Cat Sanctuary.

Alida spoke to a resolution from CB7. David
