

Project ID: S216-401R

**E.92nd Street Marine Transfer Station
(MTS) Ramp Over FDR Drive
Borough of Manhattan
Community Board No. 8**

**Schematic Design Presentation
Community Board 8 M**

June 06, 2018

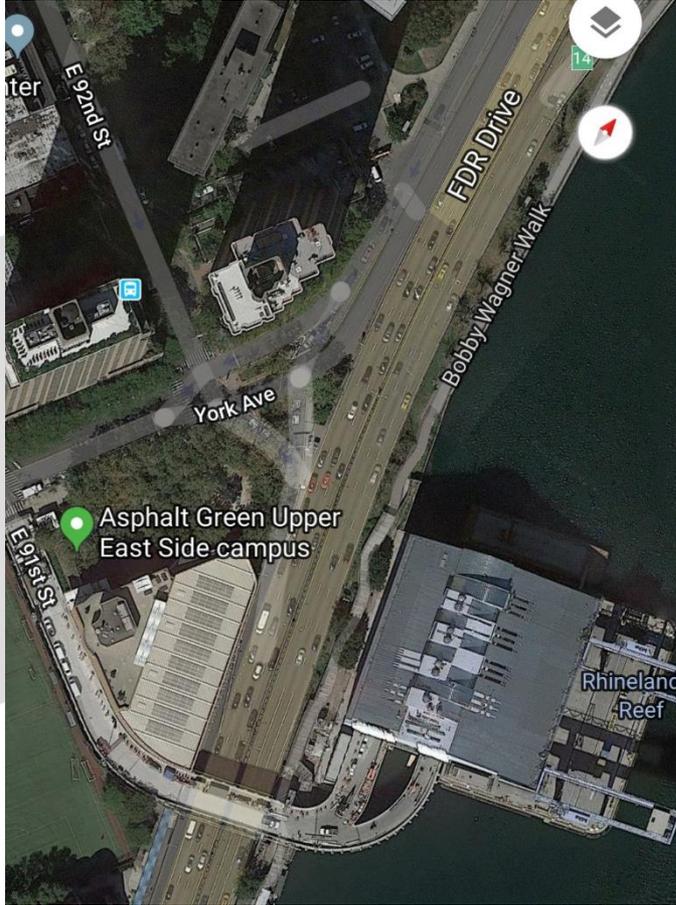

Agenda:

- **Project Outline**
- **Tasks Completed**
- **Preferred Alignment**
- **Impact on E92nd St. Entrance Ramp**
- **Feedback/Support**
- **Next Steps**

E.92nd Street Ramp Over FDR Drive

Project Location

E. 92nd Street Ramp Over FDR Drive

Existing Conditions

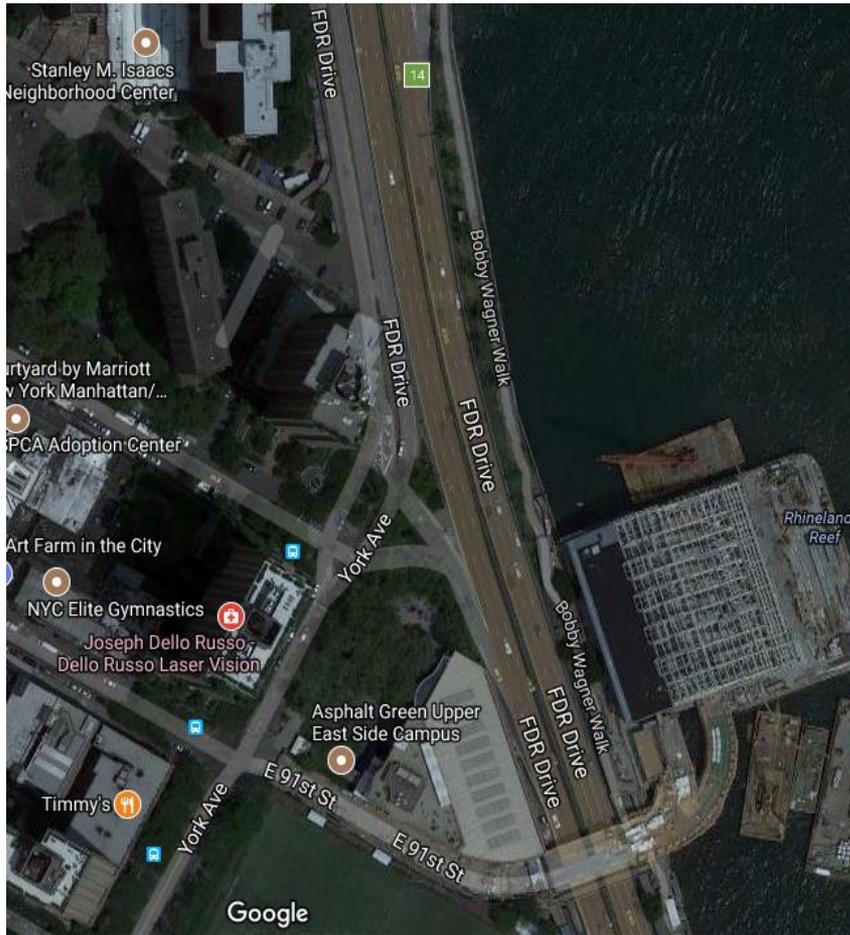

Preferred Alignment – Southbound FDR Dr.

E.92nd Street Ramp Over FDR Drive

Preferred Alignment

Requires:

- **Modification of E92nd St Entrance Ramp to S/B FDR Drive**
 - **No Build Traffic Analysis - Active**
- **Slight Reconfiguration of FDR Drive Lanes**
- **DOT Approved in Principle**

Tasks Completed:

- **Design Contract Procured/NTP**
- **Topographic Survey/Utility Survey**
- **Tree Survey – Assessment**
- **Sub-surface Investigation/Test Pits**
- **Traffic Data Collection**

Tasks Completed:

- Schematic Design
 - Approved in Principle by DOT
- Vertical Clearance 12'-6"
- Approved by DOT

Tasks in Progress:

- **Traffic Data Analysis**
- **Maintenance & Protection of Traffic**
- **Geometric Design Drawings**
- **Structural Design Computations**
- **Drawings and Details**

Next Steps:

- **Schematic Design Approval**
- **Proceed to Preliminary Design**
 - **Community Board Support Letter**
 - **Present to Public Design Commission – Preliminary Approval**

E. 92nd Street Ramp Over FDR Drive

Next Steps:

Milestone 1: Final Design 04/30/2019

Milestone 2: Proposed Bid Date 06/30/2019

Milestone 3: Proposed Construction Start 03/31/2020

Milestone 4: Substantial Completion Date 12/31/2022

Thank You
