B. Parks and Waterfront Committee - M. Barry Schneider and Tricia Shimamura, Co-Chairs

PW-1: Unanimous

BE IT RESOLVED that the Full Board of Community Board 8 Manhattan approves the presentation on John Jay Park by the Parks Department, and urges the Parks Department to look into other parks within Community District 8 where adult exercise equipment could be placed.

Community Board 8 Manhattan approved this resolution by a vote of 39 in favor, 0 opposed, 0 abstentions, and 0 not voting for cause.

BE IT RESOLVED that the Full Board of Community Board 8 Manhattan urges the Parks Department to look into other parks within Community District 8 where adult exercise equipment could be placed.

Community Board 8 Manhattan approved this resolution by a vote of 39 in favor, 0 opposed, 0 abstentions, and 0 not voting for cause.

C. Landmarks Committee - David Helpern and Jane Parshall, Co-Chairs

LM-1: Items 1 Part A and 2 Unanimous Approvals

LM-2: Item 1 Part B

LM-3.1: Item 3 Approval

LM-3.2: Item 3 Disapproval

LM-4: Item 4

LM-1: Item 1 Part A (Front Elevation)--132 East 71st Street (between Lexington and Park Avenues) – Upper East Side Historic District *Erin Bartling, Selldorf Architects*. Application is for work at the front elevation, the rear elevation and at the penthouse.

WHEREAS 132 East 71st Street was originally designed by F. T. Camp as a Queen Anne-style brownstone and constructed in 1884-85;

WHEREAS 132 East 71st Street was remodeled in 1928 into a brick neo-Federal style house (architect unknown);

WHEREAS at the front elevation, the applicant proposes to restore in-kind all of the painted black wooden windows except at the 3rd floor;

WHEREAS at the 3rd floor, the applicant proposes to drop the existing sills on the two existing windows by 15"; the windows now present as 2'10" high, they will now be 3'8" high – the width will not change;

WHEREAS at the penthouse level, the applicant proposes to retain the existing bulk;

WHEREAS at the penthouse level, the applicant proposes to revise the window and door openings; the existing window at the left on the front elevation of the penthouse will become a door and the existing door at the right on the front elevation of the penthouse will become a window. The new door will now provide access to the existing terrace;

WHEREAS dropping the sills at the windows on the 3rd floor is appropriate and contextual within the historic district;

WHEREAS the penthouse is set quite a bit back at the front elevation;

THEREFORE, BE IT RESOLVED that Part A of this application — the work at the Front Elevation — is **approved** as presented.

Community Board 8 Manhattan approved this resolution by a vote of 38 in favor, 0 opposed, 0 abstentions, and 0 not voting for cause.

Item 2: 20 East 74th Street (between Madison and 5th Avenues) – Upper East Side Historic

District Loren Cannon, LECA Architect. Application is for the replacement of entrance doors, transoms, sidelights, and the building awning.

WHEREAS the existing stainless-steel framed entrance doors, transoms, and sidelights have deteriorated;

WHEREAS the doors are no longer functional and are difficult to maintain;

WHEREAS the canopy has deteriorated;

WHEREAS the entrance doors, transoms, sidelights, and canopy will be replaced in kind;

THEREFORE, BE IT RESOLVED that this application is approved as presented.

Community Board 8 Manhattan approved this resolution by a vote of 38 in favor, 0 opposed, 0 abstentions, and 0 not voting for cause.

LM-2: Item 1 Part B (Rear Elevation)--132 East 71st Street (between Lexington and Park Avenues) – Upper East Side Historic District *Erin Bartling, Selldorf Architects.* Application is for work at the front elevation, the rear elevation and at the penthouse.

WHEREAS at the rear elevation, the windows present as a potpourri of styles and treatments;

WHEREAS at the 4th and 5th floors, there is a decorative brick arch above one window on the 4th floor and one window on the 5th floor — on the left side as one faces the rear elevation;

WHEREAS at the 5th floor, there is an existing divided light French door leading to a small terrace with an existing decorative wrought iron fence/guard rail — the existing divided light French door will be replaced by a sliding clear glass door and the parapet will be raised for code compliance;

WHEREAS at the penthouse level (6th floor), there are two existing divided light bay windows: the one on the left will be replaced by a sliding glass clear door—and the parapet will be raised for code compliance since a new small terrace is being created;

WHEREAS at the penthouse level, the bay window on the right will be replaced by a clear glass bay and will be dropped by 18” to create a larger opening;

WHEREAS at the 4th and 5th floors, the applicant proposes to retain the two historic arched openings;

WHEREAS otherwise all of the windows (9 out of 12 now with divided lights) will be, in general enlarged and changed to either wooden framed sliding glass or “tilt and turn” style windows, including the new bay at the penthouse level and the new set of sliding plain glass doors at the penthouse level and the sliding plain glass door at the 5th floor;

WHEREAS the raised parapets at the 5th floor and at the penthouse present as “raised brick walls”; the applicant is removing the existing decorative wrought iron fence at the fifth floor and building up the parapet/ roofline at the penthouse level;

WHEREAS at Lexington Avenue between 70th and 71st Street there is a view corridor created by an existing one story building that allows the viewer to see the raised parapets;

WHEREAS there is an angled roof over the new bay window at the penthouse; the applicant proposes to change the roof from the existing tar to a new gray metal/zinc roof;

WHEREAS on the roof, the applicant also proposes a new elevator bulkhead and new mechanical equipment;

WHEREAS at the penthouse, the applicant proposes to swap the existing brick for stucco; the applicant does not propose to increase the footprint of the penthouse;

WHEREAS the proposed enlarged “tilt and turn” or sliding glass “blank windows” for all floors at the rear are too big and lacking in character and are inappropriate and inconsistent with the windows on the front elevation;

WHEREAS the existing rear elevation with divided lights on all of the windows provides more texture than the proposed “blank” windows; the existing elevation with its divided light windows has a much stronger tie to the front elevation;

WHEREAS the buildup the brick parapet at the 5th floor window at the expense of losing the decorative wrought iron railing and the buildup of the brick parapet for the new penthouse level terrace is inappropriate and not contextual within the historic district;

WHEREAS the proposed rear elevation would present as “bulked up” or heavy with the extended brick parapets; the grace of the existing elevation is lost;

THEREFORE, BE IT RESOLVED that Part B of this application — the proposed changes at the rear elevation— are disapproved as presented.

Community Board 8 Manhattan disapproved this resolution by a vote of 39 in favor, 0 opposed, 0 abstentions, and 0 not voting for cause.

LM-3.1: Item 3—150 East End Avenue (between East 86th and East 87th Street) – Henderson Place Historic District. *Nick Elliot, Owner.* Application is to replace the 3rd floor windows in the building.

WHEREAS 150 East End Avenue is part of the Henderson Place Historic District;
WHEREAS 150 East End Avenue is one of the 32 houses originally built by the developer John C. Henderson for persons of modest means;
WHEREAS the houses were all designed by Lamb & Rich in the Queen Anne style;
WHEREAS 150 East End Avenue was formerly lived in by Alfred Lunt and Lynne Fontaine;
WHEREAS the windows on the 1st, 2nd and 3rd floors are to be replaced with new black-painted wood windows; there will be no change to the ground level windows;
WHEREAS the new windows at the 1st and 2nd floors were approved at the staff level at the LPC, but were included in the applicant’s presentation at the request of the LPC;
WHEREAS the windows at the 3rd floor (two windows) will be changed to match with the 6 over 6 double hung windows at the 1st and 2nd floors; the existing original and historic transoms will be removed;
WHEREAS new brick mold casing for the windows will be matched to the historic brick mold; the third floor wood brick molding will remain in place;
WHEREAS the applicant is essentially swapping a 3-part window at the 3rd floor for a 6 over 6 double hung window;
WHEREAS other historic windows within the historic district have been changed; the two new 6 over 6 replacement windows are consistent with windows on neighboring houses;

THEREFORE BE IT RESOLVED that this application is approved as presented.

Community Board 8 Manhattan disapproved this resolution by a vote of 16 in favor, 22 opposed, 1 abstention, and 0 not voting for cause.

LM-3.2: Item 3: 150 East End Avenue (between East 86th and East 87th Street) – Henderson Place Historic District. *Nick Elliot, Owner.* Application is to replace the 3rd floor windows in the building.

WHEREAS 150 East End Avenue is part of the Henderson Place Historic District;
WHEREAS 150 East End Avenue is one of the 32 houses originally built by the developer John C. Henderson for persons of modest means;
WHEREAS the houses were all designed by Lamb & Rich in the Queen Anne style;
WHEREAS 150 East End Avenue was formerly lived in by Alfred Lunt and Lynne Fontaine;
WHEREAS the windows on the 1st, 2nd and 3rd floors are to be replaced with new black-painted wood windows; there will be no change to the ground level windows;
WHEREAS the new windows at the 1st and 2nd floors were approved at the staff level at the LPC, but were included in the applicant’s presentation at the request of the LPC;
WHEREAS the windows at the 3rd floor (two windows) will be changed to match with the 6 over 6 double hung windows at the 1st and 2nd floors; the existing original and historic transoms will be removed;
WHEREAS new brick mold casing for the windows will be matched to the historic brick mold; the third floor wood brick molding will remain in place;
WHEREAS the applicant is essentially swapping a 3-part window at the 3rd floor for a 6 over 6 double hung window;
WHEREAS other historic windows within the historic district have been changed; the two new 6 over 6 replacement windows are consistent with windows on neighboring houses;

THEREFORE BE IT RESOLVED that this application is disapproved as presented.

Community Board 8 Manhattan approved this resolution by a vote of 24 in favor, 14 opposed, 1 abstention, and 0 not voting for cause.

LM-4: Item 4--828-850 Madison Avenue (between East 69th and East 70th Streets) – Upper East Side Historic District *Maxwell Pau, Beyer Blender Belle Architects*. Application is for proposed repair and modification to the marquee to shorten its depth.

WHEREAS the existing marquee on Madison Avenue is faced with a decorative metal banding;
WHEREAS the existing marquee has a metal and acrylic skirt in which acrylic panels are set in a decorative metal frame;
WHEREAS the existing marquee is 14'-11" wide and extends 12'-9" from the face of the building;
WHEREAS the existing marquee is similar in design to the main entrance marquee on East 69th Street;
WHEREAS the 69th Street marquee has textured glass panels;
WHEREAS the Madison Avenue marquee had textured glass panels that were changed to acrylic panels;
WHEREAS the existing marquee has been damaged by trucks backing in to park;
WHEREAS acrylic panels are missing;
WHEREAS the underside of the marquee is subdivided into eight bronze rectangles with a surface mounted metal cylinder lighting fixture in the center of each rectangle;
WHEREAS the marquee will be shortened by two 15" modules to extend 10'-3" from the face of the building;
WHEREAS the shorter marquee will comply with current code that requires that the outer face of the marquee be held back from the curb a minimum of two feet;
WHEREAS all the decorative elements will be the same as the existing and the acrylic panels will be changed to textured glass to match the 69th Street marquee;
WHEREAS the pattern of the underside of the marquee will be similar to the existing except that the panels will be shorter;
WHEREAS the existing metal cylinder lights will be replaced with custom, clear glass cylinder lights;
WHEREAS sconces with a downlight component will illuminate the first floor;
WHEREAS the first two stories of the façade will be illuminated with lighting fixtures that will be located on stone sills and on permanent awnings, and shielded from view;
WHEREAS the lighting will create a soft glow that will illuminate only to the tops of the decorative arches at the second floor;

THEREFORE, BE IT RESOLVED that this application is approved as presented.

Community Board 8 Manhattan approved this resolution by a vote of 38 in favor, 1 opposed, 0 abstentions, and 0 not voting for cause.
