Dear Mr. Brightbill:

This is in reply your November 25, 2019 correspondence on behalf of your constituents requesting the current "No Parking Monday to Friday 8am-6pm" restriction in front of 159 thru 165 East 84th Street between Lexington Ave and 3rd Avenue be changed to the street cleaning signage consistent with the blockfront.

The Manhattan Borough Engineering office completed a field investigation involving land-use and traffic regulations at this location. As a result, a work order was issued to remove the "No Parking Monday to Friday 8am-6pm" restriction and install "No Parking Monday and Thursday 9-10:30am" signage in front of 159 thru 165 East 84th Street. This order has been submitted to our sign maintenance unit and will be scheduled accordingly.

Sincerely,

Edward F. Pincar Jr.
Manhattan Borough Commissioner
