9. Committee Reports and Action Items:

A. Zoning and Development Committee - Elizabeth Ashby and Elaine Walsh, Co-Chairs

ZD-1: Item 3 - Unanimous Approval

Item 3: Notice to Community Boards for Change in Zoning Lot Designations

WHEREAS the City Planning Commission proposes to inform Community Boards when zoning lot changes take place, and

WHEREAS Community Board 8 strongly supports transparency on these issues, and

WHEREAS CB8 wishes to ensure that all proposed zoning changes, including zoning lot divisions, be reported when an application is filed,

BE IT THEREFORE RESOLVED that Community Board 8 urges the City Planning Commission to proceed expeditiously with their proposal, and

BE IT FURTHER RESOLVED that Community Board 8 requests that all notification changes, including zoning lot divisions, be included in the proposal.

Community Board 8 Manhattan unanimously approved this resolution by a vote of 47 in favor, 0 opposed, 0 abstentions, and 0 not voting for cause.

B. Women and Families Committee – P. Gayle Baron and Margaret Price, Co-Chairs

WF-1: Item 1 - Approval

Item 1: Childcare Expansion

WHEREAS the coronavirus pandemic has forced the closure of some childcare facilities that parents had relied on to enable them to work; and,

WHEREAS the school year's highly unusual structure of blended in-school and remote learning, along with a remote-only option, has challenged families' ability to plan when their children will need day care; and,

WHEREAS Mayor de Blasio has created a Learning Bridges program intended to provide facilities for up to 100,000 children enrolled in blended-learning on days when these children are not in school; and,

WHEREAS the CB8M district so far has a Learning Bridges facility that can accommodate only up to 60 children, despite a much higher need for affordable day care in this district: and,

WHEREAS working parents need safe, affordable care for children younger than age three; therefore,

BE IT RESOLVED that CB8M urges Mayor de Blasio to greatly expand the childcare facilities in CB8M that are part of the Learning Bridges childcare program.

BE IT FURTHER RESOLVED that CB8M believes the City should expand Learning Bridges—or create another program that accommodates children younger than age three, as well as children from middle, as well as low, income families.

BE IT FURTHER RESOLVED that CB8M urges the City to undertake outreach to building owners and developers to see if they can provide space in their buildings for the Learning Bridges program or for another form of safe, affordable daycare for children.

Community Board 8 Manhattan approved this resolution by a vote of 46 in favor, 0 opposed, 1 abstention, and 0 not voting for cause.

C. Environment and Sanitation Committee – Russell Squire and Cos Spagnoletti, Co-Chairs

ES-1: Item 2- Unanimous Approval

Item 2: Community Organics and Recycling Empowerment (CORE) Act

WHEREAS Intro 1942, the Community Organics and Recycling Empowerment (CORE) Act, mandates that there be three compost drop-off sites per New York City community district, provides for education related to composting, and requires collection of data related to use of compost drop-off sites;

WHEREAS New York City residents who wish to compost organic waste should have a means by which to do so, and New York City should enact measures to facilitate their ability to do so;

WHEREAS community input is essential to ensure that drop-off sites are located in a manner that maximizes their usefulness and convenience;

WHEREAS residents of Manhattan Island and Roosevelt Island should have access to compost dropoff locations on their respective islands; and

WHEREAS community districts should not be limited to three compost drop-off sites.

THEREFORE BE IT RESOLVED that Community Board 8 supports Intro 1942, the CORE Act, and calls upon the City Council to pass it;

BE IT FURTHER RESOLVED that Community Board 8 urges New York City and the City Council to locate more than three compost drop-off sites in each community district;

BE IT FURTHER RESOLVED that the Department of Sanitation should consult with community boards regarding the placement of compost drop-off sites in their respective community districts; and

BE IT FURTHER RESOLVED that Roosevelt Island should have at least one compost drop-off site and that the portion of Community District 8 on Manhattan Island should have at least three compost drop-off sites separate and apart from any compost drop-off sites located on Roosevelt Island.

Community Board 8 Manhattan unanimously approved this resolution by a vote of 47 in favor, 0 opposed, 0 abstentions, and 0 not voting for cause.

E. Landmarks Committee – David Helpern and Jane Parshall, Co-Chairs

LM-1: Item 2 - Approval

LM-2: Items 1, 4, 5, 6 - Unanimous Approval

LM-3: Item 3 - Unanimous Approval

Item 2: 969 Park Avenue – Park Avenue Historic District –A Renaissance Revival apartment building designed by Pickering and Walker in 1911-12. Application is to establish a master plan for 6/1 aluminum clad double hung windows in the primary facades of the building

WHEREAS the Master Plan will match the existing six-over-one muntin pattern of the double hung windows;

WHEREAS the Master Plan will maintain the uniformity of the single glazed, six-over-one, wood windows currently installed in the building;

WHEREAS the current uniformity is due to the building's requirement that all window replacements be done in the six-over-one configuration;

WHEREAS six-over-six and six-over-one were both possible original configurations;

WHEREAS the building has maintained the six-over-one configuration for the three visible elevations;

WHEREAS the six-over-one is an appropriate uniformity for a building of its period;

WHEREAS the smaller bathroom windows will be four-over-one;

WHEREAS the proposed windows will be aluminum clad wood windows with insulated glass;

WHEREAS the Master Plan window details will have similar profiles to the frames and muntins of the existing wood and aluminum clad wood windows;

WHEREAS the Master Plan will apply to the three visible facades: the west façade on Park Avenue; the south façade on East 82nd Street; and the east façade;

WHEREAS variations in window types and or grilles will be allowed in rear courtyard areas that are not visible;

WHEREAS the current window configuration has been in place since the 1980's and will be replicated in the Master Plan;

WHEREAS the proposed window configuration in the Master Plan is appropriate and contextual within the historic district;

THEREFORE, this application is **APPROVED** as presented.

Community Board 8 Manhattan approved this resolution by a vote of 45 in favor, 1 opposed, 1 abstention, and 0 not voting for cause.

Item 1: 135 East 71st Street – Upper East Side Historic District – Noelle Fontaine, Cowley Engineering, P.C. A multi-family building originally designed by Hyman Isaac Feldman and constructed in 1959. Application is to re-clad the first floor exterior and replace storefronts, amend the window master plan and propose a signage master plan.

WHEREAS 135 East 71st Street was built as a co-op in 1959; the building (which presents as two separate residential buildings joined in the middle) extends along Lexington Avenue between 71st and 72nd Streets;

WHEREAS Hyman Isaac Feldman is listed as the architect of record. However, at the entrance, there is plaque which lists Sylvan and Robert Bien as the architects. The applicant could not explain the reason for this discrepancy;

WHEREAS 135 East 71st Street is considered a “no-style” building on the designation report;

WHEREAS only the southern half of the building is in the Upper East Side Historic District;

WHEREAS this application is for work to be done at the southern half of the building — the half of the building which is included in the historic district with its entrance on 71st Street. (The northern half of the co-op has a separate entrance on 72nd Street;

WHEREAS the applicant proposes 1) lower level recladding, 2) storefront replacement, 3) signage master plan, and 4) window master plan amendment;

WHEREAS at the ground level only the applicant proposes to reclad the deteriorating red granite with gray granite — the historic color of the granite — along 71st Street and along Lexington where there are 9 storefronts. The recladding also includes the above-grade planters at either side of the front entrance at 71st Street, where the granite has also deteriorated;

WHEREAS the planter on the east side of the entrance will be lowered by 12”; the planter on the west side of the entrance can’t be lowered because it sits atop a service stair;

WHEREAS the applicant proposes to add a small reveal to the columns that frame the front entryway and to the planters to provide texture and visual interest;

WHEREAS the applicant also proposes, at the ground level, to change the windows to black; the windows now present as a whitish yellow; the ground level windows at 71st Street and at the storefronts along Lexington Avenue would now be black [proposed amendment to the window master plan];

WHEREAS the applicant proposes, on Lexington, where the storefront windows as low to the sidewalk as a result of the slope/slant along this part of Lexington, to raise the sill to accommodate new slightly smaller energy efficient windows;

WHEREAS the applicant proposes to remove all existing fixed awnings; the applicant proposes that all signage for the 9 retail shops would now be black with stainless steel lettering to create uniformity along the ground elevation along Lexington — the signage would fit into the 12” area above the windows where there were formerly the cases for the retractable awnings that have not been in-use for some years and that were hidden by the now-to-be deleted fixed awnings [Signage Master Plan];

WHEREAS the applicant also proposes to upgrade the lighting at the front entrance to a more modern look and replace the existing doctor’s office door (at left of front entrance) with a new door;

WHEREAS the applicant’s proposes changes at 135 East 71st Street create a more uniform look for the 1950’s neo-Federal style building, especially for the retail storefronts along Lexington Avenue and also tidies up the discordant elements around the entrance on 71st Street;

WHEREAS the applicant’s proposed changes are appropriate within the historic district;

THEREFORE BE IT RESOLVED that this application is **APPROVED** as presented

Item 4: 61 East 77th Street – Upper East Side Historic District – Christopher Stone Architect – A neo-Federal style building with Beaux-Arts features, designed by Harde and Hasselman, and built in 1916.

– Application is for the addition of an access ramp, and the reconstruction and alteration of the existing stoop.

WHEREAS the building is currently occupied by Lenox Hill Radiology and residential tenants and has no accessible entrance to the first floor.

WHEREAS the New York Human Rights Commission has cited the building for lack of an accessible entrance to the Community Facility on the first floor.

WHEREAS the applicant proposes to create a legal ramp 24 feet long and 4 feet wide between the existing building face and the decorative posts at the sidewalk edge.

WHEREAS the landing must be enlarged to conform to code minimum dimensions for wheelchair turning radius which necessitates extending the stoop 10” into the public way, requiring approval from the Department of Transportation.

WHEREAS sections of the existing decorative railings will be removed to make way for the ramp.

WHEREAS the entry doors will be widened to meet code and will be on actuators mounted on the exterior handrail (with no visible wiring).

WHEREAS the new stoop and ramp will be painted to match the existing color of the ramp and stoop which are painted limestone.

THEREFORE BE IT RESOLVED that this application is **APPROVED** as presented.

Item 5: 5 East 62nd Street – Upper East Side Historic District – Arthur Chabon Architects – A Modern style synagogue building designed by Percival Goodman and built in 1956. Application is to alter the façade, replace entry infill, and install an illuminated canopy.

WHEREAS applicant previously came before the Committee for approval of a rooftop addition and elevator extension;

WHEREAS existing building egress at ground floor does not meet building code requirements for exit path separation;

WHEREAS the building entry sequence does not meet current security requirements;

WHEREAS the existing canopy leading from the entry to the sidewalk edge is not in character with the distinctive modernist architecture of the building façade;

WHEREAS the proposed entry doors sensitively echo the original construction;

WHEREAS the proposed egress doors will be flush with the ground floor façade and will be sheathed in granite to match the original;

WHEREAS the proposed façade alterations taken as a whole strengthen the existing design and satisfy the egress and security requirements;

WHEREAS the applicant presented two permanent canopy options, either of which was acceptable and an appropriate addition to the historic façade;

WHEREAS the canopy will be flat, one foot thick, and will illuminate the pavement below it;

WHEREAS the canopy will appear to float free from the building façade although it will be firmly anchored to the building structure;

THEREFORE BE IT RESOLVED that this application is **APPROVED** as presented

Item 6: 1022 Lexington Avenue – Upper East Side Extension Historic District – Theodore Bodnar, Architect –Application is for the enlargement of the first and second floor window bays, structural work, and the relocation of the residential building entry from Lexington Avenue to East 73rd Street. [This application was originally heard at the September Landmarks Committee meeting. The applicant has modified his original proposal.]

WHEREAS 1022 Lexington Avenue is a neo-Grec-style brownstone designed by Thom and Wilson and constructed between 1880-1881;

WHEREAS applicant has revised his original proposal [Please see attached original September resolution] and has now 1) reduced the size and amount of glass 2) reduced the massiveness of the glass 3) reintroduced wooden transoms on the 73rd Street elevation 4) broken up the glass in terms of visual appearance by thickening up the masonry pilasters at the 73rd Street elevation 5) retained the decorative wrought iron interior door now at the entrance to the residential section of the building by changing its location to the relocated entrance to residential part of building on 73rd Street where it will be more visible];

WHEREAS in general, the applicant has reduced the size of the windows on the Lexington Avenue elevation at the ground level and has retained the multi paned window above and has reduced the size of the windows along the 73rd Street elevation, retained the transoms and increased the width of the pilasters and kept the multi paned windows at the 2nd floor;

WHEREAS the applicant's revised proposal retains much of the original charm of the first two floors at 1022 Lexington Ave;

WHEREAS the applicant's revised proposal is appropriate within the historic district;

WHEREAS the applicant is to be commended for returning to the Landmarks Committee of Community Board 8 with a more contextual design;

THEREFORE BE IT RESOLVED that this application is **APPROVED** as presented.

Community Board 8 Manhattan unanimously approved these resolutions by a vote of 47 in favor, 0 opposed, 0 abstentions, and 0 not voting for cause.

Item 3: 163 East 67th Street (Park East Synagogue) – Individual Landmark – Application is to replace two existing sign boards with LED sign boards. [This application was originally heard at the September Landmarks Committee meeting and then withdrawn.]

WHEREAS 163 East 67th Street is a Moorish-style building designed by Schneider and Herter and constructed between 1889-1990.

WHEREAS the applicant proposes to replace the existing signage with LED signage to allow for more current display of updated information for services and special events at the Synagogue.

WHEREAS the existing mounting brackets will be used for the proposed signage.

WHEREAS in general the display will be monochromatic and the light level will be dimmed after dark and further dimmed after 11 pm.

WHEREAS the conduit path for the signs will run along molding to the rear wall for approximately 7'; the interior dimension of the conduit is approximately 1/2"; the conduit will be held in place by 2 curved straps and will be painted to match the concrete base below the baluster;

WHEREAS the applicant's proposal to replace the two existing sign boards with LED sign boards is appropriate for this unusually distinctive INDIVIDUAL LANDMARK.

THEREFORE BE IT RESOLVED that this application is **APPROVED** as presented.

Community Board 8 Manhattan unanimously approved this resolution by a vote of 46 in favor, 0 opposed, 0 abstentions, and 0 not voting for cause.

F. Budget Committee – Barbara Chocky, Chair

- Shari Weiner led a discussion on behalf of the Voting Reform Task Force about voting in 2020.

11. New Business – One item of new business was discussed.

- Alida Camp and Lynne Strong-Shinozaki led a discussion about banking on Roosevelt Island. The board supported a letter and a resolution on this matter.

NB-1: Item 1 - Unanimous Approval

Item 1: Roosevelt Island Banking

WHEREAS Roosevelt Island has more than 11,000 residents (as of the 2010 census), small businesses, including shops and restaurants, and is the home to Cornell Tech;

WHEREAS Roosevelt Island is a Banking Development District;

WHEREAS Amalgamated Bank was the only bank branch on Roosevelt Island;

WHEREAS in September 2020, Amalgamated Bank abandoned Roosevelt Island by closing the only bank on Roosevelt Island;

WHEREAS Roosevelt Island has two ATMs, both of which handle withdrawals only, leaving the residents, businesses, and students, faculty and administration of Cornell Tech (“Roosevelt Islanders”) without a place or mechanism to make deposits, ask questions, apply for loans, open Certificates of Deposits or money-market or other savings or checking accounts or perform other banking business;

WHEREAS New York City, like the rest of the country, is in a pandemic;

WHEREAS if any Roosevelt Islanders would like or need to make a deposit or perform bank-related tasks other than withdrawals, they need to travel to Queens or Manhattan by car or public transportation;

WHEREAS Roosevelt Island is home to many elderly and disabled residents;

WHEREAS travel to Queens or Manhattan to bank is difficult, at best, and impossible at worst, for elderly and disabled Roosevelt Islanders and Roosevelt Islanders who have been sheltering-in-place to avoid the pandemic;

WHEREAS banking is a necessity;

WHEREAS Amalgamated Bank’s abandonment, leaves Roosevelt Island as a banking desert;

THEREFORE, be it resolved that CB8 calls on our elected officials and government agencies to reestablish full service banking services on Roosevelt Island and to provide access to such services to Roosevelt Island residents until such services are reestablished on Roosevelt Island.

Community Board 8 Manhattan unanimously approved this resolution by a vote of 43 in favor, 0 opposed, 0 abstentions, and 0 not voting for cause.

The meeting was adjourned at 10:30 PM. Alida Camp, Chair
