**The City of New York

RE: New York Blood Center - Center East, (CEQR Number 21DCP080M)

Dear Chair Lago,

Community Board 8 Manhattan would like to request a postponement of the December 15 Scoping Meeting on the DEAS for the Blood Center until after the holidays. Although we are not looking at a season chock full of visits and parties, many residents and other stakeholders are unlikely to be available just before the holidays (and December 15 is in the middle of Chanukah).

Approximately 300 neighborhood residents attended the November 2020 Zoning and Development Committee meeting where this project was initially presented. During the meeting, a straw poll revealed the outsized extent of the opposition.

This is a complicated project, with far-reaching implications for not only this neighborhood, but for Manhattan and the City. It needs a strong review and analysis by the community at each step of the process.

The community, and ultimately the Blood Center, would be well-served by moving the scoping date to January.

Please advise us of any action taken on this matter.

Sincerely,

Alida Camp
