

## Department of Transportation

Henry B. Gutman, Commissioner

December 1, 2021

Mr. Will Brightbill  
District Manager  
Community Board 8  
505 Park Avenue, Suite 620  
New York, NY 10022

Dear Mr. Brightbill:

I am writing with an update on the Department of Transportation's (DOT) Neighborhood Loading Zone (NLZ) program.

The COVID-19 pandemic brought dramatic changes to New York City's streets, especially with delivery operations. As we anticipate a large increase in online deliveries to residential areas this coming holiday season, we seek to mitigate double parking and other unwanted parking behaviors on residential streets in your neighborhood by providing dedicated curb space during the daytime and evening hours to allow for short-term loading activities such as package deliveries by commercial vehicles, active loading and unloading of personal vehicles, and taxi and car service pick-up and drop-off.

As you may recall, DOT presented our plans to expand the NLZ program to Community Board 8 this past June. Following our presentation, we assessed feasible locations based on community suggestions made via our public portal during the 30-day comment period. The following is the list of 37 locations we propose to install NLZs within Community Board 8:

- 40 feet in front of 100 E 70<sup>th</sup> Street, on the south side of E 70<sup>th</sup> Street between Lexington Avenue and Park Avenue
- 40 feet in front of 188 E 70<sup>th</sup> Street, on the south side of E 70<sup>th</sup> Street between 3<sup>rd</sup> Avenue and Lexington Avenue

The NLZ program will use signage to repurpose parking spaces into loading zones during the daytime and evening periods, from 8am - 6pm Monday through Friday. Neighborhood residents may park in these spaces overnight and on weekends. In addition to the regulatory signage, DOT will install informational signage describing the use of the zone at the pedestrian level.

Should Community Board 8 have any feedback on this proposal, I ask that you provide it to my office by December 30. My staff and I are also available to answer any questions you may have via phone at (212) 839-6210.

Thank you, as always, for your partnership in improving Manhattan's transportation network.

Sincerely,

Edward F. Pincar Jr.  
Manhattan Borough Commissioner
