NY COMMUNITY BOARD 8

Will Brightbill
District Manager
Manhattan Community Board 8
505 Park Avenue, Suite 620
New York, NY 10022

Dear District Manager Brightbill:

I am reaching out with an update on the Department of Transportation's (DOT) Carshare Program.

Carshare provides on-demand, short-term access to a shared fleet of vehicles, typically through a membership and hourly fee. NYC DOT launched the Carshare Parking Pilot Program June 2018 with Zipcar and Enterprise Carshare, comprising 230 on-street spaces & 55 municipal parking facilities spaces. The 2-year pilot averaged 24 trips per space per month with an average of 17 households per available vehicle per month. The pilot saw greenhouse gas emissions and vehicles mile traveled decline 7% and 6%, respectively. Overall, NYC DOT views the pilot as a success, and thus created a permanent program for providing carshare parking spaces.

Under the Carshare Program, registered Carshare Organizations (CSO), which include Zipcar, Getaround, and Truqit, apply for site specific permits which NYC DOT evaluates based on a clear set of criteria. The locations listed have met these siting criteria and will serve to provide dedicated curb space for carshare parking. The list of preliminary approved sites is attached for the board's review.

NYC DOT anticipates installing Carshare regulations at designated spaces with carshare service to start operation in the fall.

As always, my office is available to answer any questions that you may have and will work with the CSO applicants to provide additional informational materials and presentations upon request.

Sincerely,

Edward F. Pincar Jr.
