Dear Commissioner Pincar,

At the Full Board meeting of Community Board 8 Manhattan held on April 19, 2023, the board approved the following resolution by a vote of 36 in favor, 7 opposed, 0 abstentions and 0 not voting for cause.

WHEREAS; the owners of the townhouse at 18 East 73rd Street have applied for a revocable consent to construct, maintain and use a proposed snowmelt system, and fenced-in area, including planters, irrigation conduits, trash enclosure and storage;

WHEREAS; the building contained an enclosed areaway until 2013, and is proposed to be restored as part of this project; and

WHEREAS; the areaway will extend 4' 9" from the property line, and is proposed to provide a minimum of 5'2" of sidewalk clearance remaining at its narrowest point across from an existing tree pit; and

WHEREAS; the proposed snow melt system is an electric radiant system that will be embedded within the sidewalk with all maintenance and operations to be performed from within the building's cellar; and

WHEREAS; the restoration of the areaway will narrow the sidewalk adjacent to the tree pit and impinge on pedestrians;

THEREFORE BE IT RESOLVED, that Community Board 8 **DISAPPROVES** the revocable consent application to construct, maintain and use proposed snowmelt system, and fenced-in area, including planters, irrigation conduits, trash enclosure and storage at 18 East 73rd Street.

Please advise us of any action taken on this matter.
