**RE: Request that the Triborough Bridge and Tunnel Authority toll the inbound Upper Roadway of the Queensboro Bridge in the same manner as all other bridge entry and exit points in Manhattan with regards to Congestion Pricing.**

Dear Chair Weisbrod and Chair Lieber,

At the Full Board meeting of Community Board 8 Manhattan held on June 21, 2023, the board approved the following resolution by a vote of 20 in favor, 17 opposed, 2 abstentions, and 0 not voting for cause.

**WHEREAS;** the Final Environmental Assessment of the Central Business District Tolling Program was issued on May 12, 2023; and

**WHEREAS;** implementation of congestion pricing could occur as early as April 2024 if the Finding of No Significant Impact is issued upon the expiration of the 30-day review period set to expire on June 12, 2023; and

**WHEREAS;** the modeling performed for the Environmental Assessment for the Central Business District Tolling Program did not assume tolling on the inbound upper roadway of the Queensboro Bridge, suggesting that it will remain untolled upon implementation of toll collection;

**WHEREAS;** the Queensboro Bridge provides a critical link to and from Community District 8; and

**WHEREAS;** There are consistently very high levels of congestion within Community District 8 at entrance and exit points of the Queensboro Bridge, especially on the inbound upper roadway ramp and along 62<sup>nd</sup> and 63<sup>rd</sup> Streets where traffic exits; and

**WHEREAS;** there is significant concern among residents of Community District 8 that there will be increased congestion near the 60<sup>th</sup> Street toll zone boundary upon the initiation of congestion pricing; and

**WHEREAS;** an untolled upper inbound roadway would promote bridge shopping to allow drivers to avoid tolls to reach points north of 60<sup>th</sup> Street that they would otherwise need to pay upon entering or exiting all other roadways of the Queensboro Bridge;

**THEREFORE BE IT RESOLVED**, that Community Board 8 Manhattan requests that the Triborough Bridge and Tunnel Authority toll the inbound Upper Roadway of the Queensboro Bridge in the same manner as all other bridge entry and exit points in Manhattan with regards to Congestion Pricing.

Please advise us of any action taken on this matter.

Sincerely,

*Russell Squire*
