Requested Regulations (for portion of block to be changed):

Extension of existing No Standing Hotel Loading Zone that currently controls approximately 50-feet of Block 1390 Lot 57 (AKA 20 East 76th Street) to cover the entire frontage of the proposed Surrey Hotel- approximately 98 feet, or an additional 48-feet to the easternmost portion of Lot 57. Seek regulation change for Sign location (2) on attached map from 2 Hour Metered Parking 9AM-7PM except Sunday and No Parking (Sanitation Broom Symbol) Tuesday Friday 9AM-10:30AM to No Standing Hotel Loading Zone to run the entire frontage of 20 East 76th Street. See attached Attachment B for signage change map.

Reason for Request

Currently the No Standing Hotel Loading signage associated with the Surrey covers approximately half of the linear frontage of the Lot associated with the Surrey Hotel (Block 1390 Lot 57), the eastern 48 linear feet of lot 57 frontage is currently signed for 2 hour metered parking as described above. Attachment B below shows the existing signage locations related to the frontage of the Surrey and notes the proposed extension (in red) of the existing Hotel Loading Zone (in green) along the lot frontage of The Surrey. The effect of this change would be to assure that trash pickup, deliveries and patron drop-off and pick-up activities are performed in manner that reduces potential for double parking and minimizes potential obstructions of the travel lane related to service and refuse collection. Approximately two on-street parking spaces would be affected. The proposed signage regulation change would impact approximately 48-feet of curb area and would simplify curbside regulations for this limited area - A&D license plates only. The requested change would simplify the parking regulations for this stretch of curb and assist hotel operations in assuring that any potential through traffic conflicts on East 76th Street would be minimized.
