The City of New York Community Board 8 Manhattan

April 22, 2024

Honorable Sarah Carroll, Chair NYC Landmarks Preservation Commission Municipal Building One Center Street, 9th Floor New York, New York 10007

<u>RE: 817 Fifth Avenue (Upper East Side Historic District)</u> – Presentation Prepared by Christina Redmond, R.A. of Midtown Preservation Architecture & Engineering, P.C. – A Neo-Renaissance style building designed by George B. Post & Sons and constructed in 1924. Application is for a Window Master Plan.

Dear Chair Carroll,

At the Full Board meeting of Community Board 8 Manhattan held on April 17, 2024, the Board unanimously approved the following resolution by a vote of 42 in favor, 0 opposed, 0 abstentions, and 0 not voting for cause.

WHEREAS 817 Fifth Avenue is an apartment house at the southeast corner of Fifth Avenue and East 63rd Street and contributes to the character of the Upper East Side Historic District; and

WHEREAS the applicant wishes to implement a Window Master Plan to assure uniformity of window replacement in the future; and

WHEREAS the applicant is to be commended for attempting to implement a Window Master Plan; and

WHEREAS the proposed Master Plan will mandate single-lite tilt-and-turn aluminum windows on the Fifth Avenue side and one-over-one double-hung aluminum windows on the East 63rd Street side; and

WHEREAS the proposed windows will have a clear anodized aluminum finish; and

WHEREAS the existing windows are uniformly tilt-and-turn on the Fifth Avenue façade and predominately one-over-one double-hung on the 63rd Street side; and

WHEREAS the original windows in the building were six-over-six wood windows; and

WHEREAS the proposed Window Master Plan will preserve and enshrine an awkward juxtaposition between the street-facing facades; and

WHEREAS the existing tilt-and-turn windows are, despite their long-standing presence on the building, inappropriate to the style and period of the original construction; and

WHEREAS the proposed finish is inappropriate to the style and period of the original construction;

THEREFORE, BE IT RESOLVED that this application is DISAPPROVED as presented.

Please advise us of any action taken on this matter.

Sincerely,

Valerie S. Mason
