SECTION 1: Site Plan

This Site Plan form is required to be uploaded in the "Roadway Site Plan" field of your online application.

Refer to the How to Apply page in the Dining Out NYC website for more information about the application process.

Identify Permitted Parking Location:

Identify the Parking Sign in front of or around the area where your roadway setup would be located.

Roadway cafes can only be placed in:

1. Parking spaces, which include: metered and non-metered spaces, commercial parking, alternate side parking, angled parking, and seasonally restricted parking.

2. Loading areas, including loading only, truck loading, hotel loading, and no parking zones.

3. Floating Parking Lane- a parking lane that is separated from the curb by a protected bicycle lane that is adjacent to the curb.

P1- Parking Space P2- Loading Area P3- Floating Parking Lane

Roadway Cafe Site Plan Form

Applicant Name: JAMES Moran
