Building Addresses: 505 East 75st, Ny. NY 10021

Current Regulations (for portion of block to be changed): No Parking school days 7am-4pm

Current Regulations (for other sections of block – both sides): South side No parking Tues Friday
9am-10:30am
North side No Parking Monday Thursday
9am-10:30am

Requested Regulations (for portion of block to be changed): No Parking school days 7am-5pm

Reason For Request

We request that the hours be extended from the current 7 a.m.–4 p.m. to a new schedule of 7 a.m.–5 p.m. on school days.

The school's official dismissal time is 4:15p.m., and our students are typically on school grounds until 5pm. This extended departure time, combined with after-school programs, results in high pedestrian and vehicular traffic past the current 4 p.m. no-parking cutoff.

Justification for the requested change:

Student safety: Parking is currently permitted at 4 p.m., coinciding with the heavy flow of students leaving after-school activities. Vehicles entering and exiting the parking spaces during this period create a significant safety hazard for our students, parents, and staff. We also need to deal with CONED trucks and vehicles up and down the street in front of our school which makes the situation more dangerous for pedestrians

Operational efficiency: The presence of parked cars starting at 4 p.m. obstructs the safe passage of school buses and other official school vehicles that may need to access the curb.

School events: Late afternoon events and after-school clubs keep a large number of students and parents at the school until after 4 p.m., and the proposed change would ensure a safe environment for their departure. The extension of the no-parking hours by one hour would align the parking regulations with our school's actual operations.

For current and requested regulations, please be specific including days and times.

Explain the reason for this request in detail – What problems exist that would be resolved?
